Trishna 2023

the first harvest

Trishna was born on the banks of the river Tanha and is a wine guided by emotions. It never overrides the region or the terroir — it celebrates them.

TASTING NOTES

Appearance — ruby.

Nose — delicate aromas of red fruit and green notes, with earthy hints lending complexity.

Palate — lively, red-fruited, driven by a firm yet integrated acidity; tannins present and well knit, wrapped in a light touch of spice and greenness that lingers gracefully on the finish. No excess, in balance.
